

K-Love is one of the best radio stations in town. It always lifts me up and has a positive message. You never have to worry about crude DJ's that may say offensive things. I think the community would suffer a great deal if K-Love is displaced by an LPFM broadcaster. Whole families listen to this station together and benefit from the great music and lessons from the Bible. This service provided by K-Love is in the public interest because of the great positive message it provides to hundreds of thousands of people every day. Please give K-love priority over these LPFM stations. Thank you.
